

Meet Our Special Guest

SPEAKER NANCY PELOSI

Nancy Pelosi is the 52nd Speaker of the House of Representatives, having made history in 2007 when she was elected the first woman to serve as Speaker of the House. Now in her third term as Speaker, Pelosi made history again in January 2019 when she regained her position second-in-line to the presidency, the first person to do so in more than 60 years. As Speaker, Pelosi is fighting for the people, working to lower health care costs, increase workers' pay through strong economic growth and rebuilding America, and cleaning up corruption to make Washington work for all.

For 31 years, Speaker Pelosi has represented San Francisco, California's 12th Congressional District, in Congress. She has led House Democrats for 16 years and previously served as House Democratic Whip.

Pelosi brings to her leadership position a distinguished record of legislative accomplishments. She led the Congress in passing historic health insurance reform, key investments in college aid, clean energy and innovation, and initiatives to help small businesses and veterans. She has been a powerful voice for civil rights and human rights around the world for decades. Pelosi comes from a strong family tradition of public service in Baltimore. Married to Paul Pelosi, she is a mother of five and grandmother of nine.
