Habitat for Humanity

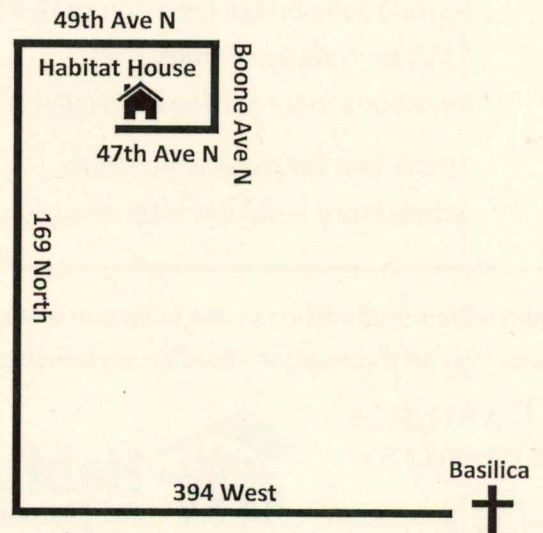

Changing lives one home at a time!

The Basilica of Saint Mary's Habitat for Humanity Team: Each year for 25 years, the Basilica has assembled a team of dedicated volunteers to work on a Habitat home in the Twin Cities. This "workcamp week" is a Monday - Friday effort and can involve a wide range of projects—from roofing and siding to painting and installing cabinets - and everything in between! Habitat is a great activity for the entire family - ages 16 and up are welcome to build! The Basilica also provides a "workcamp sponsorship fee" to Twin Cities Habitat for Humanity.

The "workcamp week" is not the only way the Basilica is involved in Habitat. One Thursday each month, a crew works on a home and helps with a variety of construction projects.

Twin Cities Habitat for Humanity (TCHFH) has a mission to eliminate poverty housing from the Twin Cities and to make decent, affordable shelter for all people a matter of conscience. Since their founding in 1985, more than 1,000 families have purchased TCHFH homes. TCHFH builds or rehabs approximately 60 homes (single-family, twin, or multi-unit) each year. Hundreds of families apply for homes annually.

TCHFH's foreclosure rate is under 1% thanks to diligent work in selecting and preparing families. A "Neighborhood Family Partner" helps each homebuyer with the transition to homeownership. TCHFH is committed to revitalizing neighborhoods hit hardest by foreclosure.

Directions from Basilica to 2021 Habitat House:

From the Basilica, take Hennepin/Dunwoody to 394 West. Stay on 394 West until you reach 169. Take 169 North to the exit for 49th Ave N. Turn right (east) on 49th Ave N and proceed to Boone Ave N. Turn right (south) on Boone and proceed to 47th Ave N. Turn right on 47th Ave N and the house will be the third house on your right.

Note: When traveling south on Boone, you will come first to 47th Ave that is a left turn only. Continue on Boone for just a short distance further and you will see 47th Ave that is a right turn.
