

## YouLEAD 2024

Providing 15 young people from Ukraine with the opportunity to spend 4 weeks in Minnesota, USA, to learn and grow as future leaders.

YouLEAD stands for Youth Leadership Engagement and Development Program. YouLEAD 2024 is a one month leadership program for Ukrainian youth in the United States.

The purpose of YouLEAD 2024 is to provide 15 Ukrainian teens with the opportunity to participate in development activities and continue the tradition of sharing views, culture, and learning from one another as we all continue to grow as individuals and leaders.

The 2024 program has a particular focus on:

Developing future leaders to help replace those lost to war

Developing the skills to help post-war Ukraine redevelop and heal

Providing a mental health break for youth experiencing war trauma

Ukrainian youth participants will be engaged in intensive learning, building relationships and creating partnerships with Minnesota youth and community organizations, Minnesota local governments and schools, and the Minnesota Ukrainian community.

Participation in the program is free.
