Empowering Students and Teachers

VOTE NOVEMBER 4th!

Elizabeth Bockman Eckberg

A lifelong educator with a passion for centering students. She spent 10+ years teaching in our South Washington County Schools and believes in building a collaborative environment where both students and teachers can thrive.

With your support, she will work to ensure our schools are places of belonging and innovation for all.

Student Success: Provide every student with the resources and support they need to achieve their full potential. Foster a growth mindset for all students.

Teacher Support: Value our educators and their deep expertise. Provide them with the tools, working conditions, and respect they deserve to do their best work.

Fiscal Accountability: Focus on sustainable, transparent, and innovative uses of public dollars on behalf of our students.
